

... and for your baby...

Very soft, smooth, scented, silky, the skin of children inspires caresses and cuddles. but also it requires special attention, being very sensitive and delicate (tends to dehydrate and turn red easily), for this reason should be treated with care and protected.

Taking into account these factors, our laboratories have also created a cosmetic line dedicated to our children, composed by natural organic highest quality ingredients.

for your baby

COSMETICS FOR
SPECIAL PEOPLE

Jayanti®

CERTIFIED ECO ORGANIC
COSMETICS

Organic cosmetics are the new frontier of beauty care, they are studied for maximum results and for wellness of professional and end users.

All Jayanti products are certified by ICEA (one of the most important institute of organic certification in Italy) that guarantee that ingredients are organic, parabens free and without use of: harmful preservatives, petroleum based, GMO, colorants, sulfates and other 2400 ingredients normally used in cosmetics, but considered possibly harmful.

The points of strength of Jayanti are use of first quality ingredients and the high concentration of active principles presents in each cosmetic.

MULTIVITAMIN
CERTIFIED ECO ORGANIC COSMETICS
MADE IN ITALY

INTIMATE OIL

100% Organic
Multivitamin
Fragrance free

Packaging: 30ml code 90105

Thanks to the special properties of organic baobab oil, this is an excellent help to elasticize intimate parts of body. It prevents giving birth lacerations and helps skin healing after the birth. It's also very good to prepare the nipples for breastfeeding, avoiding the formation of fissures.

DERMO ELASTICISING OIL

100% Organic
Multivitamin
Fragrance free

Packaging: 100ml code 90107

Organic baobab and organic argan oil contents in this special body oil, make it the most efficient product for stretch marks prevention. This special oil mixture visibly improves skin elasticity and it has anti oxidant properties.

FAGRANCE FREE

During pregnancy time it is essential to take care of your body moisturizing the skin and keeping it soft and supple in the most natural and healthy as possible, precisely for this reason it is important to carefully choose the cosmetics that you use, paying particular attention to their composition. Jayanti has created a range of organic cosmetics to fully meet the special needs of a pregnant woman, in total safety.

PROTECTIVE LIP BUTTER

Packaging: 5ml code 90101

100% Organic lip butter, rich in precious organic ingredients as shea butter, avocado oil and jojoba oil, with protective, nourishing and hydrating properties. It was created with a very light and pleasant scent, barely noticeable, it is moisturizing and nourishing in total safety during pregnancy.

ESSENTIAL BODY CREAM

Organic
Multivitamin

Packaging: 200ml code 90103

This is a very hydrating and toning body cream rich in organic argan oil and other organic nourishing ingredients. It has anti oxidant and protective properties and improves skin elasticity, so it prevents stretch marks of pregnancy.

MULTIVITAMIN

Strengthening and nourishing SHAMPOO

Organic
Multivitamin

Packaging: 200ml code 90108

This nourishing shampoo is created for all the changes of hair in pregnancy, it gently cleans without aggression (it doesn't produce foam) leaving hair and scalp really hydrated, soft and shiny. Its special formulation makes your hair healthy and stronger.

Thanks to the high quality ingredients and non-aggressive washing principles contents, this shampoo can be used for daily washing, even during pregnancy, when the hair could be weaker and subject to fall.

SUPER NOURISHING OIL

Organic
Multivitamin

Packaging: 200ml code 90106

Special blend of high quality organic cosmetic oils like rosehip oil (with highly firming properties), grape seed oil, extra virgin olive oil and argan oil. It's ideal to nourish the skin, leaving it healthy, soft and silky.

100% ORGANIC
